To our Norwegian Customers

Ref. Changes Sales representation pester pac automation

Wolfertschwenden September 1st 2011

Dear Customer,

Through this letter, we would like to inform you on a change in our sales organization for the Norwegian market.

In mutual agreement, the collaboration with our representative ULF ANDERSEN MASKIN AS will now come to an end. We would like to thank Mr. Harald Johansen for the successful collaboration during the time he represented us in Norway.

From September 1st, our company will be represented on the Norwegian market by GOTAPACK. We have been working successfully together with Gotapack on the Swedish market for many years and we now look forward to extend our collaboration further in Norway.

Besides your existing contacts within our company, you are welcome to contact following people:

Gotapack International AB:
Jan Johannesson, Man. Dir.
